Buy Out Pricing

We rent the bar by the hour with an all-inclusive pricing structure and a three hour minimum rental. The cost per hour includes exclusive access to Quarters Arcade Bar with an open bar for your guests of beer, wine, craft cocktails and our vast spirits selection. The price also includes unlimited quarters for unending game play and the cost of staffing and gratuity.

Renting this way allows for everyone, even the party planner, to focus on having fun while not worrying about variables of cost the day of the event. At the end of your rental time, the tab will close and the bar will open to the public. Your guests may stay after the event and enjoy the bar - no need for anyone to rush out! If you are planning an event where tickets are sold to attend, that requires additional negotiating.

DOWNTOWN

Friday-Saturday

Each Hour Before 8pm \$1,500

Each Hour After 8pm \$2,000

Buy Out Pricing

FOOD/CATERING

Food is not included in the rental rate as we do not have catering capability at either location for large parties. You are welcome to bring in outside food for private events, but will need to supply your own plates, flatware and napkins. You can bring in something simple like pizza or use a catering company. For full service catering, we recommend LUX Catering. If early access is needed for food/catering set up, this will need to be arranged ahead of time.

PAYMENT & RENTAL AGREEMENT

We require 100% payment up front for full bar buy outs. Dates are not held until payment is accepted. Once details for the event are arranged, a written rental agreement and payment link will be emailed. Once payment is sent and the rental agreement is signed, the event is booked! The buy out amount is refundable up to 30 days before the event minus a 3% credit card fee.

For parties 45 people or less consider:

The Hat – Private Room (Downtown location only)

[Book Private Room Online Here](#)

The Hat is a private, rentable room inside of Quarters Arcade Bar in Downtown Salt Lake City, Utah. It is themed after the 1961 renovation of the Club Manhattan and houses the iconic neon sign of the club which occupied Quarter's current location for over 50 years. The room features a full bar with a private bartender, red velvet booths, board games and vintage pinball machines. The room fits around 40-45 people comfortably for a cocktail party. For more info, go to our website where the room can be booked online!

A person is seen from the side, wearing a dark t-shirt and shorts, playing a basketball arcade game. The game features a hoop and a backboard with the word "BASKETBALL" on it. The person is holding a controller and aiming at a basketball. In the background, there are other arcade games and a person sitting at a table. The lighting is dim, typical of an arcade.

If these prices do not fit your budget, consider a non-private event! This is a great option for many as you will only need to cover the drinks purchased. We do not reserve tables, so this option works better closer to our opening hours when we are less busy. At the downtown location, we do not serve food so you are welcome to bring some in for your group if you wish. At the Sugar House location, we have some bar snacks available. If your party is over 40 people, we'd love a heads up! Send a quick email to info@quartersslc.com so we know when to expect you!

**In any case, we hope to see you at
Quarters Arcade Bar!**
